“Covering Tulsa through the air”

Prez Sayz:

I hope everyone survived the Father's Day storms. I know some of you lost power for several days. We never lost power at our house or any tree limbs down. We were ready with a generator and gas for it. I plan for the worst and pray for the best. It has worked for me most of the time. I made it to TARC Field Day. Met some new hams and a few older hams getting back in to radio. TARC Field Day is usually held at Chandler Park, but this year, because of the storms and tree limbs down, they had to change it to another park in Bixby.

They just had a few days to find another place and make plans where to set up. Kudos for the team for getting the ball rolling on the new park. I had a great time and I hope each of you made it to a field Day event. It's getting hot, so please make sure you stay in the cool inside if you can. The next club meeting will be July 25 at 7:00. Come early if you want to eat with us 6:00 at Freeway Cafe at 5849 South 49th West Avenue, Tulsa. I hope to see everyone there.

TRO President
Paul Young - KE5EHM
